EXPERIENCE

Paige Solutions Ltd.

Vancouver, British Columbia, Canada

Sep 2016 - Aug 2017

- Software Developer
 - o Developed an auto-completion tool that provided parameter documentations to help template drafting and cut down lookup time
 - Improved website's visual aspects through color scheme design, layout style, and object interaction on canvas using Materialize, React, and Sass
 - Worked on full stack development of a client-server web application in Django and React
 - Built a PDF sorting tool that scanned and inserted pages to the corresponding file based on the serial number resulting in less manual work required to merge PDFs
 - Created an automated legal document generator to manipulate, draft, and create Word documents and PDFs

Deloitte Touche Tohmatsu Certified Public Accountants LLP

Shanghai, China

Advisory in Audit-IT Intern

Jul 2015 - Aug 2015

- Performed general IT risk assessments on computer controls, application controls, and security architecture
- Wrote 50+ reports and working papers on findings, recommendations, and testing results for each project engagement
- Facilitated 3 major clients, China Telecom, Shanghai Mihoyo, and SAIC Motor, in improving their system security, accounting process, and technical development

Hostven Presents

Vancouver, British Columbia, Canada
